(21.) By repealing the first eight lines of section 4 of the "Vancouver Incorporation Act, 1900," and substituting the following therefor:—

(22.) By repealing the first sentence of section 8 of the "Vancouver Incorporation Act, 1900," and substituting the following sentence therefor:—

A meeting of the electors of the city shall take place for the nomination of candidates for the office of Mayor of the city on the first Thursday of the month of January in the year 1913, and in every second year thereafter, at eleven o'clock in the forenoon, in the City Hall or such other place as the Council shall by by-law appoint, and for nomination of the candidates for office of Aldermen on the same day and at the same place at the hour of twelve noon."

(23.) By providing and enacting that the Mayor and Aldermen shall each devote his entire time and attention to the duties of his office and the service of the city, shall maintain regular office hours at the City Hall, and shall not hold any other public office during his term; and that the Mayor shall be paid a salary of $10,000 per annum, and each of the Aldermen a salary of $7,500 per annum, all payable in equal monthly instalments; and by repealing any provisions of the "Vancouver Incorporation Act, 1900," and amending Acts repugnant to or inconsistent with this provision and enactment.

(25.) By providing and enacting that the Council shall hold at least one legislative meeting each week, and shall hold meetings daily, except Sundays and holidays, for the transaction of business.

(26.) By providing and enacting as hereunder set out, namely:—

"SELECTIVE OR THREE-CHOICE BALLOT.

"In all general and special municipal elections where the number of candidates nominated for any office is more than three times the number to be elected, the voting shall be on the 'three-choice' or 'selective' principle:

"(*a.*) The margin on the right-hand side of each ballot referred to in subsection (13) of section 13 of the principal Act shall in such case be divided into three columns, with headings, 'First Choice,' 'Second Choice,' 'Third Choice,' respectively:

"(*b.*) In the 'First Choice' column the elector shall vote his first choice by making a cross (X) in that column for the full number of candidates or candidate to be elected, and no more than such full number. In the 'Second Choice' column the elector may vote for the full or any smaller number of candidates to be elected. In the 'Third Choice' column the elector may vote for any number of the other candidates. The elector shall not vote for any one candidate in more than one column. If the elector shall improperly mark his ballot in either the 'Second Choice' or 'Third Choice' column, the marks or votes in such 'Second Choice' or 'Third Choice' column only shall be deemed to be spoiled and shall not be counted, but such improper marking shall not be deemed to spoil or render invalid his marks or votes in any other column:

"(*c.*) Candidates receiving a majority of first-choice votes for any office shall be elected. If the full number of candidates to be elected do not receive such a majority of the first-choice votes for such office, a count shall then be made of the second-choice votes received by those candidates for said office who are not elected by first-choice votes; said second-choice votes shall be added to the first-choice votes received by such candidates, and candidates who by such addition shall receive a majority shall be elected:

"(*d.*) If by the count of either first-choice votes or first- and second-choice votes, as above provided, more candidates than there are offices to be filled shall receive a majority, the candidate or candidates equal in number to the number of offices to be filled having the highest vote shall be elected:

"(*e.*) If the full number of candidates to be elected do not receive a majority by adding first- and second-choice votes as above directed, a count shall then be made of the third-choice votes received by those candidates for said office who are not elected either by first-choice votes or by adding first- and second-choice votes, said third-choice votes shall be added to the first- and second-choice votes received by such candidates, and the candidates equal in number to the number of offices remaining to be filled who receive the highest number of votes by said addition shall be elected:

"(*f.*) A tie between two or more candidates shall be decided in favour of the one having the highest number of first-choice votes. If they are also equal in that respect, then the highest number of second-choice votes shall determine the result. If this does not decide, then the tie shall be determined as provided by subsections (23) and (24) of section 12 of the 'Vancouver Incorporation Act, 1900':

"(*g.*) Whenever the word 'majority' is used in this section, it shall mean more than one-half of the total number of ballots cast at such election.

"LEGISLATION BY THE ELECTORS.

"The electors of the City of Vancouver, in addition to the method of legislation hereinbefore provided, shall have the power of direct legislation by the initiative and referendum.

"*Initiative.*

"The initiative shall be exercised in the following manner:—

"(*a.*) A petition signed by qualified electors of the city, accompanied by the proposed legislation or measure in the form of a proposed by-law (which by-law shall first be submitted to, and approved as to form by, the City Solicitor of the city), and requesting that such by-law be submitted to a vote of the people if not passed by the Council, shall be filed with the Clerk:

"(*b.*) Within seven (7) days from the filing of such petition the Clerk shall certify the number of votes cast at the last general municipal election for all candidates for Mayor, and the number of electors who signed such petition, and shall present such certificate, petition, and proposed by-law to the Council:

"(*c.*) If such petition be signed by qualified electors in number equal to 25 per centum of the total number of votes cast at the last preceding general municipal election for all candidates for Mayor, the Council, within forty (40) days after the receipt thereof, except as otherwise provided in this Act, shall either pass such by-law without alteration, or submit it to the electors of the city at a special election which must be held within six months after the receipt of such petition by the Council: Provided, however, that if any other municipal election is to be held within the said six months, the said proposed by-law shall be submitted without alteration to be voted upon at such election:

"(*d.*) If such petition be signed by qualified electors in number equal to 15 per centum of the total number of votes cast at the last preceding general municipal election for all candidates for Mayor, and the said proposed by-law be not passed by the Council without alteration before the commencement of publication of notice of the next municipal election, it shall be submitted to the vote of the electors at such election: Provided, however, that such petition must be filed at least sixty (60) days before the date fixed for such election.

"*Referendum.*

"If at the final passage by the Council of any by-law two (2) members of the Council shall demand it, the same shall not go into effect before ten (10) days from the date of such final passage:

"(*a.*) If prior to the date when any by-law shall take effect a petition signed by qualified electors equal in number to 25 per centum of the entire vote cast at the last preceding general municipal elections for all candidates for Mayor shall be filed with the Clerk, protesting against the enactment of such by-law, it shall be suspended from taking effect. Immediately upon the filing of the petition the Clerk shall do all things required by subsection (*b*) of section above under heading 'Initiative.' Thereupon the Council shall immediately reconsider such by-law, and, if it do not entirely repeal the same, shall submit it to the vote of the electors at the next municipal election; or the Council, in its discretion, may call a special election for that purpose; and such by-law shall not take effect unless a majority of the qualified electors voting thereon at such election shall vote in favour thereof:

"(*b.*) The Council, of its own motion, may submit to the vote of the electors for adoption or rejection at any general or special municipal election any proposed by-law in the same manner and with the same force and effect as provided in the preceding section of this Act for their submission on petition.

"13. There shall not be held under the initiative and referendum provisions of this Act more than one special election in any period of six months.

"*Recall.*

"The Mayor or any of the Aldermen may be removed from office by recall:

"(*a.*) The recall shall be instituted by a petition signed by qualified electors of the city, requesting such removal on grounds stated therein; such petition to set forth the number on the voters' list of each petitioner and his residence, to be verified on oath as to facts and signatures and to be filed with the City Clerk:

"(*b.*) Within seven (7) days from the filing of such petition the Clerk shall certify the number of votes cast at the last general municipal election for all candidates for Mayor, the number of electors on the voters' list, and the number of electors who signed such petition, and shall present such petition and certificate to the Council:

"(*d.*) At such election the Mayor or Alderman sought to be removed shall be a candidate without nomination, unless he file notice to the contrary with the Clerk ten (10) days before the date fixed for the election:

"(*f.*) Two or more Aldermen, or the Mayor and one or more Alderman or Aldermen, may be joined in one petition for removal."

(27.) By amending the "Vancouver Incorporation Act" and amending Acts and all by-laws and resolutions of the city or Council and the preceding clauses hereof in any and every such way, and by making any and every such provision as shall be necessary—

"(*a.*) To provide that the qualifications of electors petitioning for or against or voting upon money by-laws, and the majority of votes required to carry same, shall remain the same as prior to the passing of said Act so applied for:

"(*d.*) To alter, vary, repeal, or add to any and all such words, clauses, or provisions of the 'Vancouver Incorporation Act, 1900,' and amending Acts and the preceding clause hereof in such manner as may be necessary to make the same in conformity and consistent one with the other:

"(*e.*) To declare all by-laws and resolutions of the city or Council to stand and be and be deemed to be amended so as to be consistent and in conformity with the said Acts as amended by said Act so applied for."

(28.) By repealing sections 233, 234, and 235 of the "Vancouver Incorporation Act, 1900," as amended by the "Vancouver Incorporation Act, 1900, Amendment Act, 1907."

(29.) By providing and enacting that, notwithstanding anything contained in Part II. of said Act so applied for, said Part II. shall not come into force and effect unless and until a by-law declaring the said Part II. in force and effect shall first have been passed and submitted to and received the assent of the electors entitled to vote for Mayor in the same manner as to giving notice thereof and taking the vote as is provided for the submission of money by-laws in section 103 of the Act as amended. Upon the receipt of the returns of the votes cast, the City Clerk shall add up the votes, and if it appears from said returns that the votes cast for said by-law be a majority of the votes polled, the City Clerk shall forthwith declare such by-law carried, otherwise he shall declare it lost. In the event of such by-law being carried, the Council shall finally pass such by-law.

(30.) By providing and enacting that said Part II. of said Act so to be applied for shall not become in force and effect until immediately after the elections for Mayor and Aldermen of the City of Vancouver to be held in January, 1913, excepting, however, that such Part II. shall apply to and govern the said last-mentioned elections and nominations therefor and the qualifications and bonds and security of the candidates for such elections.
